

```
1  #include<stdio.h>
2
3  int main()
4  {
5  // loops in c
6  int n;
7  int res;
8  int x;
9  printf("Enter the number you want to print table for?");
10 scanf("%d",&n);
11 printf("Enter the number till you want to print?");
12 scanf("%d",&x);
13 int i;
14 for(i=1; i<=x; i++)
15 {
16     res = n*i;
17     printf("%d * %d = %d \n",n,i,res);
18 }
19
20 return 0;
21
22 }
23
```
